Dear Friend of The Magdalen House,

We are thrilled and honored to invite you to join us at *Leave a Legacy: An Evening with Elizabeth Vargas!* On **Thursday, October 11, 2018**, friends of The Magdalen House, new and old, will come together for an incredible night at Dallas Auction Gallery for our 2nd Annual Leave a Legacy Dinner.

Alcoholism can leave the alcoholic and their loved ones desperate and baffled. Particularly, a woman's struggle with alcoholism is unique and can have lasting effects on all who surround her. However, because of The Magdalen House, all hope is not lost. In October, we will come together to help raise awareness and support women who are fighting for freedom from alcoholism and renewed hope for the future. On behalf of The Magdalen House, we invite you to help celebrate this incredible organization and join us in supporting this event with our keynote speaker Elizabeth Vargas.

Ms. Vargas has an impressive career as a nationally televised news anchor and has been refreshingly upfront and honest about her battle with alcoholism. Her commitment to advocating for women, as well as her experience with and understanding of alcoholism, qualifies her to empower countless Dallas women. Her message is consistent with the mission of The Magdalen House and spreads hope to alcoholic women and their families.

Located in East Dallas since 1987, The Magdalen House has given women in North Texas hope by offering a no-cost option to alcohol detox and peer recovery programming. It was the first and continues to be the only one of its kind in Texas to provide these critical services to the community. In 2017 alone, The Magdalen House helped over 230 women detox from alcohol, welcomed over 19,604 meeting and workshop visits, and helped make over 1,300 referrals to those seeking help for substance abuse – it is an established pillar to the recovery community in North Texas.

We have enclosed our Underwriting & Sponsorship Contract that details the benefits of each sponsorship level. We hope that you will help us continue to build a thriving community for recovered women and their families – one woman at a time. Please contact Rachel Zadnik (Rachel@magdalenhouse.org or 214-764-0793) if you have any questions.

We look forward to seeing you in October and appreciate your support!

Sincerely,

Laurie Evans *Lacy Montgomery* *Kathleen Powell*
