

The Magdalen House
A RECOVERY COMMUNITY
FOR ALCOHOLISM

Mission

The mission of The Magdalen House is to help individuals with alcoholism achieve sobriety and sustain recovery at no cost and based on the 12-Step spiritual principles.

Vision

The vision of The Magdalen House is to build a thriving community of people in recovery from alcoholism, and their families, one person at a time.

FIRST STEP

A two-week, residential program for an alcoholic who wants to stop drinking, but cannot. They are provided with the education and resources to achieve sobriety and build a foundation of recovery.

NEXT STEP

A three-phase, non-residential program for an alcoholic at any stage of recovery. They are provided with structure and education to sustain their recovery while growing in their knowledge of 12-Step spiritual principles.

COMMUNITY

Solution-focused meetings and workshops are provided for alcoholics at every stage of recovery, 365 days a year. We also have dedicated volunteers who provide a Family Support group for families and loved ones of alcoholics.
